**Bottom line is...the Get YES Votes process works!**

“While serving as superintendent, our school district applied the Get YES Votes process right down to the last thirty minutes of our referendum election and won by a 63-37% margin. I highly recommend it!”  
**Dawn Nordine, WI CESA 9.**

“As a superintendent who was facing my first referendum, I chose to follow the Get YES Votes process and we won by a 68-32% margin. I recommend it as an excellent process.”  
**Richard Parks, Supt., Phelps, WI.**

“We have successfully followed the Get YES Votes concept for our elections on many occasions. It is a detailed planning process that any school district can implement. I certainly recommend it!”  
**Karla Holmes, Community Resource Coordinator.**

“On my first attempt at going for a \$48 million bond issue, we carefully followed the strategies outlined in the Get YES Votes process. Our community supported us by a 65-35% margin. The bottom line is the process works!”
